Dates and more info will be updated as I get it. - To print out this page [click here](#).

We encourage our members to get together on their own and attend training classes with their dog/dogs. There are many training facilities around the state where you can take your dog. The club also tries to set up "socializing & informal training groups". Our members also get together, in small groups, for puppy play dates / puppy litter "viewing's" / dog shows hosted by other clubs / informal lunches / informal groups get together to take their dogs or pups out to visit at local parks or favorite hiking places.

IMPORTANT - from Joy Brewster today 3/15/10.

I want to inform you that once again the GKC has negotiated a **special rate of \$70 (\$78.40 incl. tax)** per night for Thursday – Sunday at the **Four Points by Sheraton, 426 Main Ave., Norwalk, CT 06851, 203 822-9821**. You need to **ask for the Greenwich Kennel Club rate**. You might want to inform your members and exhibitors as this is a considerable savings for lower Fairfield County, CT. They also allow well-mannered dogs. ***This hotel is considered part of our "show grounds" and therefore any abuse would be subject to a bench show hearing.*** Please help us maintain our good relations with this hotel and speak to anyone appearing to abuse our privileges. If necessary, please do not hesitate to inform me as I will be staying at the hotel Friday and Saturday nights. I would suggest that you make your reservations as early as possible to enjoy this rate. The deadline is June 1st to obtain this rate.____Joy
